To Whom It May Concern:

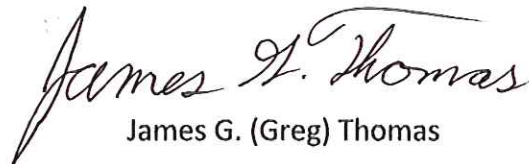

Subject: Petition 1412-SIT-15

As a Westfield business property owner (office warehouse building at 17110 Westfield Park Rd.), I had the pleasure of having Thieneman Construction, Inc. as a loyal, always-paid-on-time tenant at my building for many years. They were the ideal tenant in every way.

Because of their good business practices they outgrew the space I could provide, and, now, I see from this petition, they are ready to grow again. This is just the type of business I think Westfield wants as an even more permanent member of the Westfield business community.

Because I will be out of town on the public hearing date for this petition, and for the aforementioned reasons, and personal knowledge of their management, I offer my unreserved and wholehearted endorsement and recommendation that you accept their petition.

Sincerely,

James G. (Greg) Thomas
